

# Church Hill and Low Hall Nursery Schools Charter for Grown-Ups

Our **mission** is *Working together for all our children*

- Every day we work to deliver this, so that children can move on to primary school and out into the wider world more confident and more curious.

What we do and how we do it are led by our **5 principles**:

- Children have rights to play, learn and be heard in our schools.
- Governors and staff members lead the way on high-quality education and care in our schools.
- Staff members work in partnerships with other professionals to improve children's health, well-being, development and learning.
- Parents/carers have an important role in their children's development & education at home and in school.
- Everyone should be treated with respect and tolerance and in turn, protect the natural world.

We expect the grown-ups who spend time in our schools to follow our ethics of behaviour:

- Grown-ups and children alike are treated with kindness and respect.
- We celebrate our differences.

We question grown-ups who don't behave in this way.
