14<sup>th</sup> December 2015

Dear mums, dads and carers,

### **Christmas Concert and party**

This is a reminder that this will be on **Friday the 18<sup>th</sup> December** at **9.30am** which is the last day of term. The children will be singing a few songs for you all and this will be followed by food and a visit from Santa.

We would very much appreciate contributions of finger food. Please make sure that it is vegetarian and has no nuts.

The afternoon children will need to come in for 9.15am so that they can also join in. On this day the afternoon session will be closed. The nursery is open as usual for the day care children. We look forward to seeing you all on that day.

### **A short film**

George's dad, Dan, is making a film about a year in the life of the nursery. He will be coming in every so often to film the exciting activities on offer. He is basing the film on the four seasons and so will be filming a little part of the Christmas concert and party. Dan has told us that the film may end up on You Tube or at film festivals or even on the TV. A number of parents have said that they do not want their children's photos on the school website. Unless you tell us otherwise we will assume that you also do not want them in this film. **If there are any other parents who object to their child being in this film please inform Margaret by the end of term.**

### **Deadline for applying for school places**

Please remember that if your child is 5 between September 2016 and August 2017 the deadline for applying for a school place for your child is **January 15<sup>th</sup> 2016**. If you do not get your application in on time your child will not get in to the school you may want.

### **Dates for next term**

Friday will be the last day of term and the children return on **Wednesday January 6<sup>th</sup>**. The children have had a very productive term and it's lovely to see how much they are learning. It was great to hear all the positive comments from parents at the recent parent conferences. We would like to take this opportunity to wish you all Seasons Greetings and a Happy New Year. We look forward to seeing you all back in January.
