Staff Leaving

We are very sad to have to tell you that two members of our staff are leaving at the end of term.

Sajedah Valli has been working as an Early Years Inclusion lead in Waltham Forest and has been based at Low Hall Nursery for four years. She is leaving to become an Area SENCo and will be based at Wood Street Health Centre. Sajedah has played a huge part in supporting our children with Special Needs and their families. She will be missed a great deal.

Shinderpal Chattha has been working with the tea time daycare children for nine years. She is leaving to join the team at St. Saviours school. Although she will be carrying on her work at the Children's Centre she will be missed by the staff and children at Low Hall School.

Goodbye and Good Luck to the Children

Finally we would like to say goodbye to all the children who are leaving us and moving on to 'Big School' or school nurseries. They have all grown up so fast and have become confident and independent learners. We have really enjoyed teaching each and every one of them and are very proud of their achievements.

We wish all the children the best of luck in their new schools.

From all the staff at Low Hall Nursery School we wish you all a wonderful summer!
